

In **English**, we will be reading 'Fantastic Mr Fox' to help us to write a narrative in the style of Roald Dahl.

This term in **History** we will be learning about the origins of castles after the Norman conquest and the types of castles that developed. We will learn how castles were small community settlements.

In **Religious Education**, we will be learning about the 5 pillars of Islam.

In KSI, our theme this term in **PSHE** will be 'Mental Health and Wellbeing'. In Year 1 we will be exploring and naming different feelings and finding strategies that we can use to manage them.

In Year 2 we will be exploring friendships. We will identify special people in our lives and identify ways we can be good friends to others.

In **Spanish**, we will be learning the names of different members of the family.

## KSI Summer 1 From Field to Fork

### Important Information:

Homework is set on a Friday via Teams and is to be handed in by Wednesday. It is essential that your child's **reading book** and **record** is in school **every day**. We ask that your child reads at least 5 times a week and class rewards are in place to encourage this.

Miss Hall's PE lessons are on a **Tuesday** and **Friday**.

Miss Pavier's PE lessons are on a **Tuesday** and **Wednesday**.

Miss Daubney's PE lessons are on a **Monday** and **Tuesday**.

**Please ensure that your child has the appropriate P.E. clothing for indoor and outdoor P.E. and that these are in school all week. Please label all clothing!**

*The KSI Team*

This term in **Maths**, Year 1 will learn about multiplication and division. We will also begin to learn about fractions, focusing specifically on halves and quarters.

This term in **Maths**, Year 2 will learn about fractions, how to tell the time and how to use efficient methods to solve problems.

This term in **Physical Education**, we will improve our balance, co-ordination and agility in our athletics unit of work.

This term in **Science**, our focus is animals. We will look at their offspring and their lifecycles. We will have a look at some endangered animals and what this means.

We will also explore plants, focusing on what plants are and how they grow.

In **ART** we will be learning about the famous modern female artist Yayoi Kusama. We will explore the style of art she creates and use different medium to recreate her work.

In **Computing**, we will collect, organise and use computer programmes to input data. We will then present the data using pictograms and block diagrams.

In **Music**, our focus is performance. We will be performing different pieces of music based on the topic of 'travel'.
