

Literacy

We will be

- Learning to retell the story of "Jack and the Beanstalk", exploring new vocabulary and writing our own versions.
- Sharing the story of The Very Hungry Caterpillar.
- Finding information out about minibeasts and plants.

Mathematical Development

- Learning about odd and even numbers.
- Exploring shape, capacity and time
- Learning about numbers from 11-20

PSED

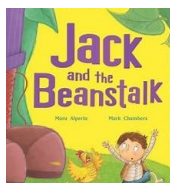

- Learning to care for living things and our environment.
- Finding out about diversity.
- Transition—changing from Reception pupils to big year ones!

Knowledge and Understanding of the World.

- Finding out about minibeasts, exploring their similarities, differences and habitats.
- Learning what plants need to grow when planting seeds.

EYFS Summer 2 Curriculum Bulletin Let's Grow!

Welcome back we hope you all had a lovely Jubilee break!

We are looking forward to another exciting term. This Term our theme is "Let's Grow" where we will share the stories of Jack and the Beanstalk and The Hungry Caterpillar. We will learn about minibeasts and even watch our own class caterpillars change into butterflies!

Important Information:

Please make sure

- All clothing is clearly named
- Your child has a waterproof coat, water bottle a sunhat, PE kit and a pair of wellies in school.
- Please let us know if someone different is collecting your child. Thank you.

Phonics

- The children will be taking part in daily phonics activities using the Read Write Ink scheme. They will either bring home a book or a "Ditty" on a sheet. **Please continue to read with your child and record this in their reading record.**

Physical Development

We will be

- Continuing to develop fine and gross motor skills.
- Forming letters correctly and placing them on the lines when writing.
- Using scissors to cut with greater accuracy.
- Learning a dance based on the theme of minibeasts.
- In our games lessons the children will continue to learn various ball skills, including rolling, throwing, catching and kicking a ball. We will also be practicing our skills for our upcoming sports day!

Creative development

We will be

- Observational drawings of plants and minibeasts.
- Creating symmetrical butterfly art.
- Singing songs about caterpillars and butterflies accompanied by musical instruments.
- Our role play areas this term are a castle and a minibeasts investigation station!
