

During **story time**, we will be exploring and retelling well known traditional tales. We will use text maps to imitate them.

This term in **History**, we will be learning about the Great Fire of London. We will find out how the fire started and why it spread so quickly. We will also learn about London, how it was rebuilt and what changes were made.

In **Religious Education**, we will be learning about the beliefs of Islam. We will begin to understand that Muslims follow one god, Allah.

In **PSHE**, Year 1 will be exploring ways they are similar and different to others. They will also explore what makes them special.

In **PSHE**, Year 2 will be learning about the differences between boys and girls.

In **Spanish**, we will be learning the Spanish words for the days of the week, months and seasons.

KS1 Spring 1 Great and Ghastly Events

We have lots of exciting learning lined up this term.

Important Information:

Homework is set on a Friday via Teams and is to be handed in by Wednesday. It is essential that your child's reading book and record is in school **every day**. We ask that your child reads at least 5 times a week and class rewards are in place to reward this.

Black and white storybooks are to be returned to school on the normal book changing day (Wednesday) inside the plastic folder.

Miss Hall's PE lessons are on a **Tuesday** and **Thursday**.

Miss Pavier's PE lessons are on a **Tuesday** and **Wednesday**.

Miss Marrow's PE lessons are on a **Monday** and **Tuesday**.

Please clearly label all items of clothing.

KS1 Team

This term in **Maths**, Year 1 will be exploring the numbers to 20 before moving on to addition and subtraction within 20.

In Year 2, the children will be learning about money, multiplication and division.

In **Physical Education**, we will be focusing on gymnastics. This includes jumping, rolling, balancing and travelling. We will also be focusing on invasion. Within this, we will learn the essentials for defending and attacking.

This term in **Science**, we are learning about light. We will learn about how it travels and how we need it to be able to see. We will also learn about plants and bulbs. We will set up experiments to find out what conditions plants need to grow.

In **ART**, we will be learning about portrait artists, including Andy Warhol. We will learn about the pop art movement and create pictures using this style.

In **Computing**, we will be using the floor robots. We will learn how to program them and debug errors in algorithms.

In **Music** our focus is on machines and we will be using beat to recreate sounds.
