

During **story time**, we will be making predictions and answering questions.

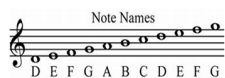

In **History** we will learn about three important queens in British history. We will learn about the importance of the monarchy and the royal family.

This term in **Religious Education** we will be learning about Buddhism.

In **PSHE**, Year 1 will be exploring different types of emotions and why and when we may experience these.

In **PSHE**, Year 2 will be exploring how we can be a good friend to others and identify ways to solve friendship problems.

### Pitch

In **Music** our focus is on animals. We will be extending our knowledge of pitch.

## KS1 Summer 1 Australian Adventure

We have lots of exciting learning lined up this term.

### Important Information:

Homework is set on a Friday via Teams and is to be handed in by Wednesday. It is essential that your child's reading book and record is in school **every day**. We ask that your child reads at least 5 times a week and class rewards are in place to reward this.

Black and white storybooks are to be returned to school on the normal book changing day (Wednesday) inside the plastic folder.

Mrs Lill's PE lessons are on a **Tuesday** and **Thursday**.  
Miss Pavier's PE lessons are on a **Tuesday** and **Wednesday**.

Miss Marrow's PE lessons are on a **Tuesday**.

**Please clearly label all items of clothing.**

*KS1 Team*

This term in **Maths**, Year 1 will be learning about:      In Year 2, the children will be learning about

- |                  |                   |
|------------------|-------------------|
| • Multiplication | • Fractions       |
| • Division       | • Time            |
| • Fractions      | • Problem Solving |

In **Physical Education**, we will be focusing on target games. We will be developing our underarm and over-arm throw, aim and hand eye co-ordination.

In **Science** this term we will start by looking at how winter changes to spring. We will explore the weather changes and how this effects our choices. We will then be learning about what humans need to survive and stay healthy.

In **Art** we will be exploring styles used in aboriginal art such as cross hatching, symbols, and dot style.

In **Computing**, we shall be learning how computers can group and present data.

In **Spanish**, we shall be learning the Spanish words for family and Spanish culture.
